ADMISSIONS AGREEMENT

As a parent participation preschool, the success of our program requires all members of our preschool family to read, understand, and adhere to guidelines provided in the Parent Information Handbook. When all members of our preschool community work together and follow the rules established by the Preschool Board, all aspects of the preschool thrive.

Please read the Parent Information Handbook at www.LaurelwoodPreschool.com and then acknowledge your agreement with the following statements by initialing in the box.

	I understand that it is my responsibility to download all required Admission Forms from www.LaurelwoodPreschool.com , fill them out and turn them in, with my <u>April 2023 tuition & \$40 cleaning deposit</u> , by July 1st, 2022.
	I understand that I am required to attend the Mandatory Parent Orientation before school starts. I understand this meeting is for adults only and that if I bring a child, I will be asked to leave. I understand that if I miss this orientation, for any reason, my child will not be able to start school until I attend a make-up meeting and pay a \$25.00 fee.
	I understand that as a member of a parent participation preschool I will be working in the classroom, assisting the teacher. I am responsible for providing a qualified substitute if I am unable to work.
	I understand that (1) the tuition for May 2023 is paid with registration, and (2) the tuition for April 2023 is paid with my Admission Forms. I understand that my April 2023 and May 2023 tuition is refundable only if the school is notified of my withdrawal by August 1st, 2022 . I understand that these months of tuition are non-transferable and cannot be used for my last months' tuition if I withdraw early.
	I understand that the September 2022-March 2023 tuition must be paid on or before the first of each month . I understand that if the September 2022-March 2023 tuition is received after the first of the month, I will pay a late fee.

I understand that if I withdraw before the end of the year, I am required to notify the Administrative Manager (manager@laurelwoodpreschool.com) four weeks before our last day of school . I am responsible for all tuition AND work days during those four weeks. If I withdraw <u>after March 31st, 2023</u> , I am responsible for ALL remaining assigned workdays for the year, either by working myself or by finding an acceptable substitute.
	I have read the Parent Information Handbook and understand how the preschool is organized, as well as my responsibilities as a parent at the preschool.
	I understand that my student is expected to participate in appropriate preschool activities, such as, sitting in circle time, following directions, and keeping hands and feet to themselves. If my child is disruptive to the experience and learning of other students, my student may be expelled from school without a refund.

BITING POLICY

Biting is not an unexpected behavior for young children, but most children who bite outgrow the habit by age 4. However, biting can be harmful to other children, working parents, and teaching staff. Procedures have been developed with both of these positions in mind.

As a preschool, our main priority is maintaining a safe environment for all our students, staff, and working parents. By working together, we can help our students learn proper ways of managing and expressing emotions, both positive and negative.

If a Biting Incident Occurs

State regulations require the parents of both the biting child and the injured child be notified. The names of the children involved are not shared with other parents.

1st Offense

1. Child who bites will quickly be placed in "Time Out."
2. Teacher will comfort the child who was bitten and clean the bite.
3. Teacher will speak with the offending child about what has happened. The child will be reminded that teeth are for eating food and smiling, not for biting.
4. Both sets of parents will be notified of the incident.
5. **If the bite is severe enough, your child may be expelled.**

2nd Offense

1. The parents of the child who bit will be asked to pick up their child early.
2. Parents and teachers will meet to discuss ways to help the child understand that biting is unacceptable.
3. **If the bite is severe enough, your child may be expelled.**

3rd Offense

The Preschool Board and teacher will meet to determine the next steps, possibly including one or more of the following:

- Continued monitoring and early dismissal for biting incidents.
- 2-3 days off of school to address behavior at home.
- Parents are required to attend school with the child until the child is able to self-monitor their behavior.
- Expulsion.

Please Note: For the purpose of this policy, a severe bite is defined as a bite that leaves teeth marks, bruises, or breaks the skin. **Refunds are not provided if your child is expelled due to a behavioral issue.**

PARENT INVOLVEMENT POLICY

In a parent participation preschool, parent involvement and participation play a very large role in the success of our classes and ability to provide a positive and healthy working environment for the students, teachers, and other parents.

We reserve the right to expel your family from Laurelwood Preschool if a parent or guardian:

- Fails to fulfill the duties set forth throughout the Information Handbook;
- Is a disruption to the class;
- Treats any teacher, other parent, or board member in a disrespectful manner; or
- Is not willing to help address difficulties with their child that arise in the preschool environment.

We strive to maintain a healthy and positive environment at Laurelwood Preschool and cannot tolerate behavior that disrupts the greater good of the preschool community.

STUDENT BEHAVIOR & READINESS POLICY

It is the duty of the parents to help their children understand proper student behavior, both in the classroom and on field trips.

While attending school, children are to be respectful to teachers, working parents, other children, and school equipment.

Laurelwood Preschool reserves the right to expel a student if we determine it would be beneficial to the class as a whole, including but not limited to:

- If a child's behavior is disruptive to class proceedings;
- If a child's behavior is dangerous to the child, other students, working parents, or teachers;
- If separation anxiety is excessive.

If any of these problems are observed by our staff, parents will be contacted and consulted in designing an appropriate course of action to solve the problem. If a child's behavioral problems continue, parents will be asked to supervise their child in class until both the teacher and parents agree that the behavior is no longer a problem. If these problems occur at the beginning of the school year, they will need to be resolved by **October 31st** or the child will be expelled. If these problems occur during the school year, parents will be consulted and a timeline will be established before the child is expelled. Failure to resolve this issue may result in the child's expulsion.

We reserve the right to dismiss children who physically harm other students, parents, or staff, or display harmful aggressive tendencies, from Laurelwood Preschool without prior notice.

Teachers are available to schedule conferences at the request of the parents.

Refunds are not provided if your child is expelled due to a behavioral issue.

PHOTO POLICY

In a parent participation preschool, photos are taken of the children singly and in groups by Laurelwood Preschool parents and staff. These photos are often posted at school, used in school materials (such as art projects, etc.), used in publications to Laurelwood Preschool members (such as monthly newsletters, yearbooks, etc.), and shared amongst preschool families. It is our intention to make parents aware of all the ways photos may be used.

Photos of classroom activities, projects, visitors, field trips, and special events are shared with class members in ProCare. They may also be shared with class members on other group messaging apps (such as WhatsApp). **As a parent, I will not post any photos of other preschool children at preschool sponsored events on personal internet sites without the consent of the parents of that child.**

No photos of children will be used in any public way (such as on a brochure, for newspaper publication, on the school website, posted in areas outside the classroom, etc.) without specific permission from the parents at the time of publication, with one exception: yearbooks may be displayed to the public during open houses and school fairs.
